

# **FY 2006 REQUEST FOR PROPOSAL**

---

## **MINIMUM SCHOOL PROGRAM STATE SET-ASIDE**

---

### **Duration of Program:**

July 1, 2005 through June 30, 2006

### **Available Funding:**

Approximately \$2,248,400 (\$1,498,400 formula; \$850,000 discretionary)

### **Eligible Applicants:**

Utah School Districts

### **Funding Procedures:**

Proposals must be submitted on the "Career & Technical Education Grant Application for State Funds" form. A screening committee will review all applications, rating each proposal against program standards. After all proposals satisfy program standards, funds will be awarded with a combined guaranteed minimum base and formula allocation.

### **Statement of Purpose:**

Assist school districts to purchase equipment for approved career and technical education programs, and to facilitate the coordination of programs within the Career & Technical Education regions.

### **Program Criteria/Priorities:**

Funds must be used to cover equipment costs necessary to initiate new programs and for equipment costs in high priority programs as determined by labor market information. **Funds are not to be used for salaries.**

**Application Procedures:**

For State Set-Aside Formula applications, complete and sign page one (recipient details and abstract) of the "Career & Technical Education Grant Application For State Funds" form (Application form is located on the CTE website federal and state funding page)

For State Set-Aside Direct Grant applications, complete items one, two, and three.

**All applications resulting from this Request for Proposal must be received in our office by 5 p.m. on Friday, May 20, 2005 to:**
